

AUSTRALIAN LUTHERAN WORLD SERVICE PRESENTS A DAY WITH A DIFFERENCE ...  
**Brisbane South / Gold Coast Awareness Day 2012**

# Food Matters

## Focus on food issues in the developing world

Students and teachers of Queensland Lutheran Schools—Brisbane South / Gold Coast Regions are invited to attend the Brisbane South/Gold Coast Awareness Day 2012 - *Food Matters*.

- Nurture a compassion for people worldwide as you allow your students to be immersed in the issues and challenges of providing food security for all people.
- Enable your students to understand what it is like for people without food security, and the challenge of teaching and empowering communities to plan for uncertain futures.
- Challenge your students with guest speakers, workshops, activities, food and information.
- Inspire your students with ways to respond to the poor and oppressed in our world.
- Allow your students to reach out in love for justice!

If this date does not suit your school, please consider the Awareness Day at Grace Lutheran College, Rothwell, on Thursday 15th March as a possible option. See ALWS website for details.
